

### Powering on:

Press and hold the power button on top until “Welcome” message appears.

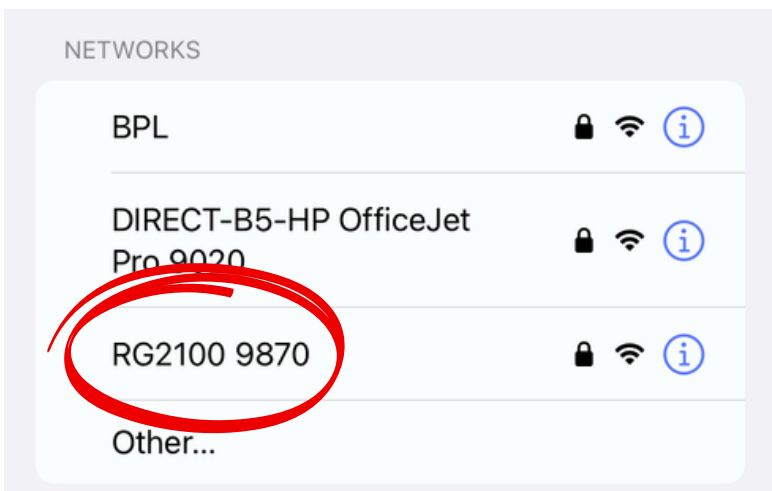

### Finding Wi-Fi name and password location:

Both name and password are located at the top of the main screen.

### Connecting device:

1. To connect to the hotspot, open the Wi-Fi settings on your device.
2. Find and select your Hotspot's Wi-Fi name.

Example: **RG2100 9870**

3. Enter the device password: **ff15fb07**.

4. Select join.

### Display wakeup:

When the display is off, the first quick press of the button wakes up the display.

### Powering off:

Once finished using the mobile hotspot, press and hold the button until Power-Off animation appears.
